***CREDIT TERMS***

Credit will be determined on individual experience. Interest of 1 ½% per month will be charged against unpaid invoices over 30 days old where interest is calculated from delivery day and will be charged on total balance due until total amount due is paid. If retail licensee remains delinquent for a period of 60 days, suit may be filed at which time a 33 ½ % legal fee shall be demanded from the licensee in the suit. If suit is filed in small claims all court costs shall be demanded from licensee.

An additional 10% will be charged to C.O.D. invoices of all customers who are delinquent over 30 days. The additional funds received will first be applied to interest charges and then any remainder to the past due invoices.

Drivers and Sales Representatives are prohibited from accepting cash. Money orders, certified checks, financial services transfer or bank checks are acceptable for COD payments. Regular checks for payment of COD orders are allowed provided the account has no history of returned checks for non-sufficient funds. If any COD account has a check returned for non-sufficient funds, the account will be immediately placed on non-delivery until the check in question has been paid in full by money order, certified check, bank check or cash. We accept as payment regular checks, certified checks, mobile application payments, financial service transfer, electronic fund transfer, automatic clearing house payments or money orders. We reserve the right not to accept cash, except in our administrative offices. A service charge of \$40.00 will be imposed on all checks returned and for all checks that cannot be re-deposited. A service charge of \$25.00 will be imposed on all checks requiring re-deposit.

***RESTOCKING CHARGE***

We reserve the right to add a restocking surcharge of \$0.25 per case per order that is refused.

***DELIVERY SURCHARGE***

We reserve the right to add a \$20.00 Delivery Surcharge for orders delivered on an unscheduled day.

***PRODUCT QUALITY***

We reserve the right to limit orders due to the perishable nature of our product, to control product quality.

We will be following the NJ ABC statute of picking up saleable cases from the on-premise accounts.

Out of code product in the on-premise due to the COVID-19 pandemic will be picked up at a later date.

***DISCOUNT***

If any licensee buys barrels of draught products in one month, refer to the Draught Schedule for discount information.

If a licensee buys more than 300 cases on one delivery and can be unloaded with the licensee's forklift in a timely manner, that licensee will receive \$.10 discount per case for every unit unloaded. A timely manner means that the unloading will commence within 60 minutes of the arrival of the delivery truck.

If a job action were ever to occur that would limit our ability to deliver product, we will offer an additional \$0.50 per case and \$5.00 per keg discount on all products that are picked up at our warehouse during the job action. A New Jersey State Transportation Insigna is required to pick up product.

***PROMOTIONS AVAILABLE***

Konrad Beer Distributor, Inc. will hold various promotional affairs in either on or off premise accounts to promote the sale of our products. The average amount of expenses intended to be incurred is \$150.00. The actual amount depends on the attendance at the affair. The following items will be available in limited quantities on a first come, first service basis and on a non-discriminatory basis: Draft Services, Draft Maintenance services, Glassware, Marketing advice, Display Building and Point of Sale placement, Breakage Replacement, Portable Draft equipment, Refrigerators, Promotional items, Outdoor Banners, Staff Attire, Tips Training, General Beer Handling, Training, and display enhancers.
